Business:

Packet Secretary: Members were informed of second-hand albums that had come from Alastair Lawson, a regular contributor to the Packet. The condition of the albums varied but a contribution to the Scripture Union would be appreciated for the better quality ones.

Publicity: Articles in the philatelic press of GB and Finland had been full of praise for Perth 2012 and the kind hospitality shown to visitors.

Other business: Members congratulated Francis Podger on becoming a Fellow of the Royal Philatelic Society of London. He joins three other members of the Society, and also his father and brother, in gaining this distinction.

Members were invited to bring some festive fare to the final meeting of 2012.

Vote of Thanks: The vote of thanks was proposed by Sandy Forbes.

Date of Next Meeting: 20 December and will be a One Page Competition and a display by members of their recent acquisitions.

The next morning meeting will be on 10 January rather than the first Thursday of the month.
